

Proclamation

West County Wastewater Board of Directors

RECOGNITION OF EARTH DAY, APRIL 22, 2021 “RESTORE OUR EARTH”

WHEREAS, Earth Day is recognized on April 22nd of every year and Earth Day began as a unified response to an environment in crisis - oil spills, smog, rivers so polluted they literally caught on fire; and

WHEREAS, on April 22, 1970 million of Americans - 10% of the U.S. population at the time - took to the streets, college campuses and hundreds of cities to protest environmental ignorance and demand a new way forward for our planet; and

WHEREAS, the first Earth Day in 1970 launched a wave of action, including the passage of landmark environmental laws in the United States. The Clean Air, Clean Water and Endangered Species Acts were created in response to the first Earth Day in 1970, as well as the creation of the Environmental Protection Agency (EPA). Many countries soon adopted similar laws; and

WHEREAS, Earth Day is an annual event celebrated around the world on April 22 to demonstrate support for environmental protection; and

WHEREAS, this year’s theme of Earth Day 2021 is “Restore Our Earth”; and

WHEREAS, Earth Day 2021 is far more than a day. It is a historic moment when citizens of the world rise up in a united call for the creativity, innovation, ambition, and bravery that is needed to meet climate crisis and seize the opportunities of a zero-carbon future. It is a day to demonstrate support for environmental protection.

NOW, THEREFORE, BE IT RESOLVED that the Directors of West County Wastewater hereby proclaim recognition of Earth Day, April 22, 2021 themed “Restore Our Earth” and encourages all constituents and visitors alike to help build a unified global response for environmental protection.
